Service delivery

Drovers meal out with all staff. Tonight

Strategic meeting needed with partnership of Caroline and James.

Agenda to be formulated.

Trials of e bike went well. One staff member to perhaps to purchase.

Lease of premises taken over by Health Board.

..?? Men scoping out the car park, maybe THB may have more clout to repair it.

Still trying to recruit GPS. Locums in place. Looking to recruit globally and hopefully newly qualified available in the summer.

Travel immunisations no longer available from the practice. Will be given a number to phone and to have their injections carried out centrally.

Looking at new ways for patients to access the service.....25 slots for call back from GP and Nurses. A letter drafted to inform patients that things may be different when they call. To be an item in the newsletter.

Health calendar.

Campaigns for June are Falls awareness, Dementia and Carers.

Youth Forum

Booked to go into school to meet with year 5 and 6 in June. Some progress!

Web page usage.

See separate e mail. Patients more used to using the site and are directed to it by staff.

Publicity
