

From time to time we would also communicate with you via text message or email a brief message e.g. asking you to make contact with the practice.

# Academy Medical Centre

## ***Patient Information Leaflet No 6***

## ***Appointment Reminders to Mobile Phones***

*Thank you for taking the time to read this leaflet, we hope you have found it helpful and informative.*

*If you have any suggestions please send them to our PPG  
(Patient Participation Group) at:*

**Appointment Reminders to Mobile Phones**

We can now send you text message reminders to your mobile phone for all your appointments and also communicate with you brief messages, e.g. asking you to make contact with the practice .

Once you have made an appointment you will receive a text message confirming your appointment and another text will be sent nearer to your appointment time.

If you would like to sign up for this free service, please complete this form and pass it to one of our receptionists.  
If you receive a message telling you of an appointment that you have not made this will most likely be for a clinic appointment and you will receive a letter in the post with the details.  
If you are unable to attend the appointment please notify the practice as soon as possible.

If you have an e-mail address which you use regularly and would like us to send details of clinic appointments etc to you by e-mail. Please ask at reception for a form for you to complete your details.
